

Double output on a single spot

Space Saver

Space Saver with TDR5 S

The Fri-Jado Space Saver is a prime example of effective use of floor space. By combining a TDR 5 rotisserie and a MDS 34-2 Self-Serve grab-and-go merchandiser, you save valuable floor space.

The rotisserie's appetizing chicken theatre will whet the appetite of any customer. The fact that customers can take the products from the MDS 34-2 themselves will lower buyer thresholds even more. Double output on a single spot. Success guaranteed!

Features Space Saver

Top features

- Combination of MDS 34 2-level self serve heated merchandiser and 5-spit rotisserie
- Preparation and presentation on one spot
- Saves valuable floor space
- Boosts impulse sales

Standard characteristics

- Smart design ideal for small store formats
- 34" wide 2-level heated merchandiser stacked below a rotisserie
- Maintains products at a minimum temperature of 150°F for up to four hours
- Safety lighting on each level
- Hot Blanket holding technology: consistent holding temperature
- Optional slide-out worktop for convenient loading and unloading of the rotisserie
- Shatter-resistant clear side glass for optimum safety and insulation
- Saves up to 20% on energy by air-curtain technology on each shelf
- Safe holding temperature for up to four hours
- Illuminated changeable sign and price strips on each shelf
- Front bumper to protect from shopping carts
- Rear doors as standard (pass through operation)

Accessories

- Meat forks
- Chicken racks
- Meat basket
- V-spits
- Slide-out worktop

* see separate spec sheets for more information on the 5-spit rotisseries
